

France / Canada Cleantech Exchange

The French Cleantech and Investment scene at a glance

David Dornbusch - Cleantuesday

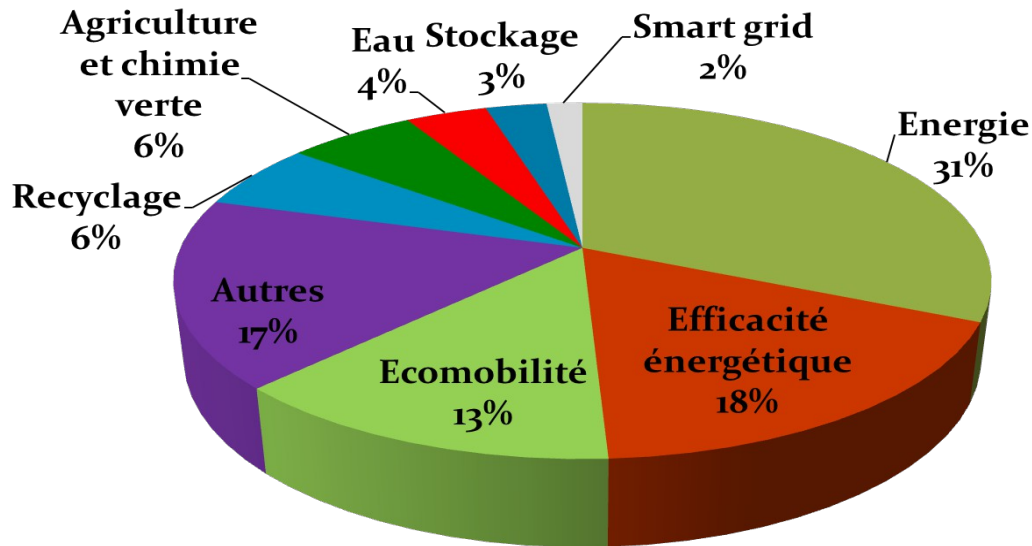

Tuesday, January 23rd 2014
Paris-Montreal

The french Cleantech landscape

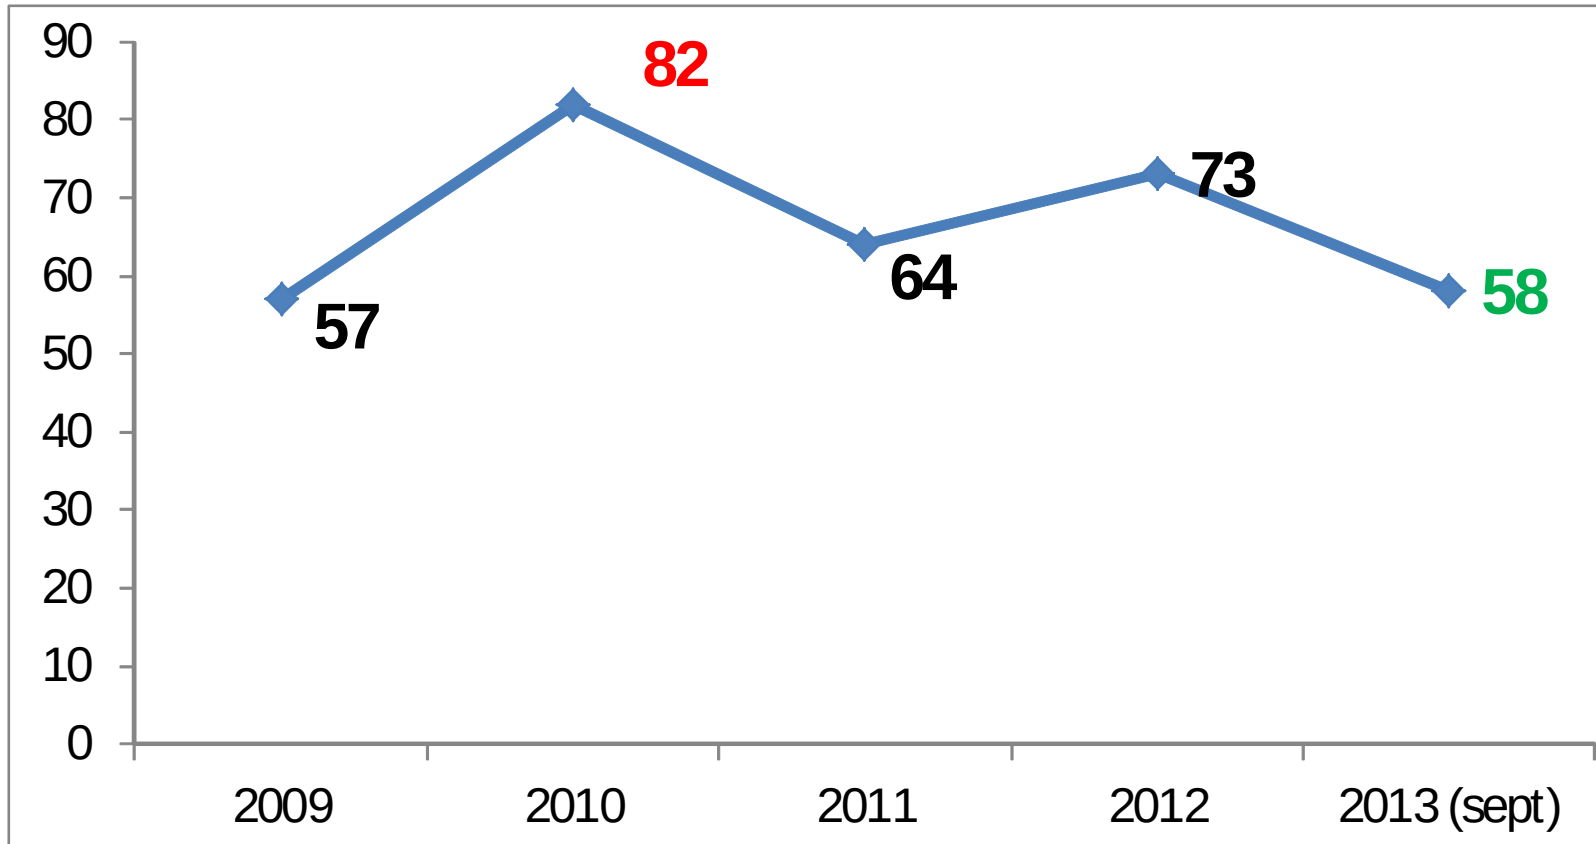

A few tens of very large international companies

A few tens of active VC (more and more connected to large groups) and PE funds

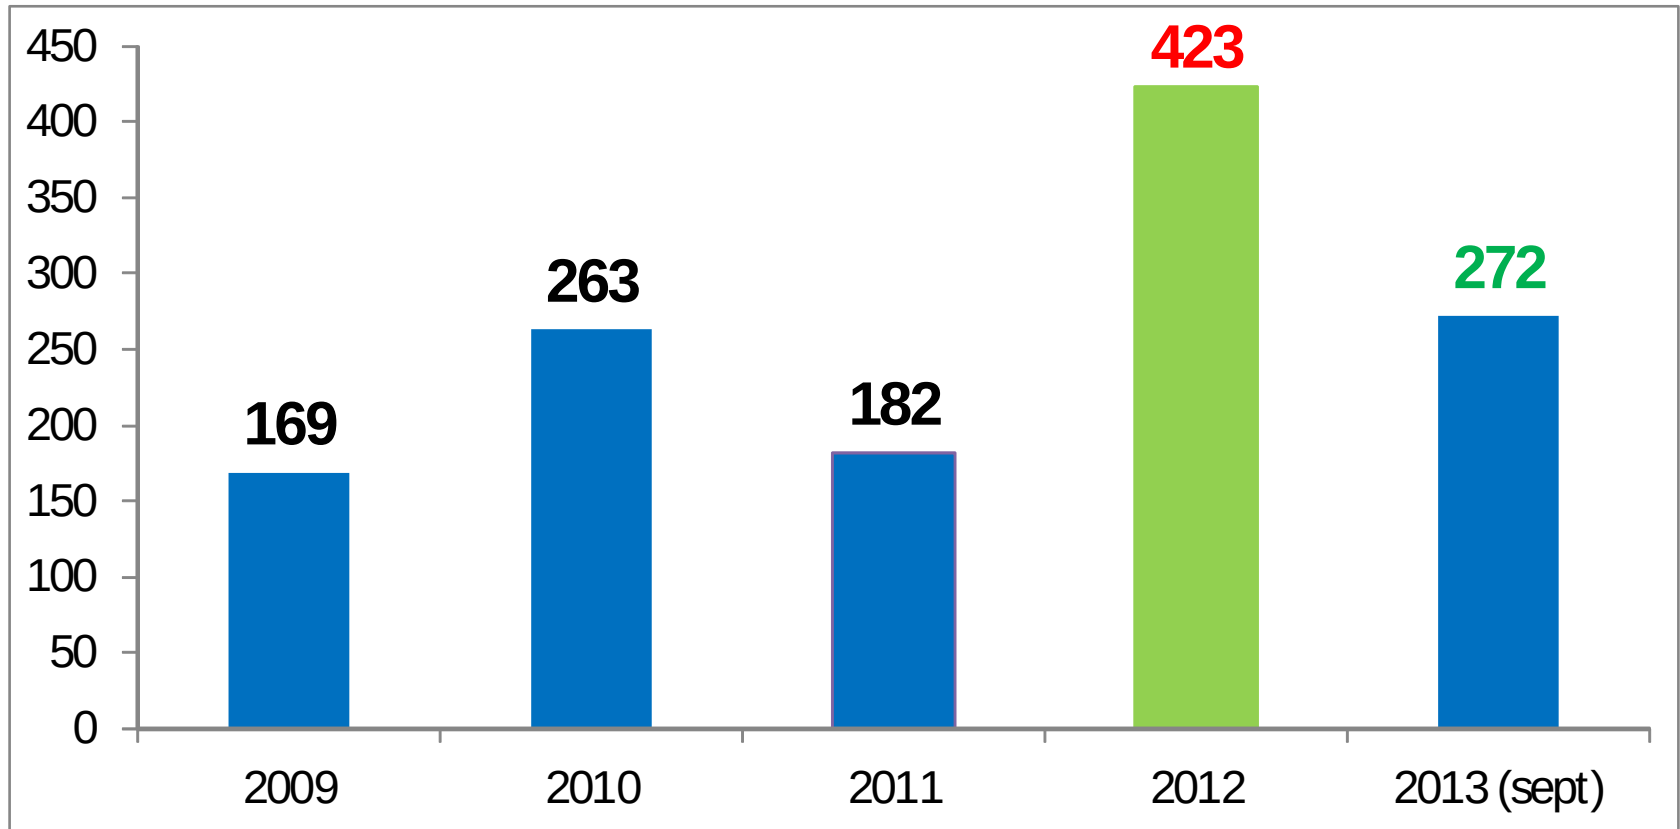

300+ « startups » and « young » companies (<10 years)

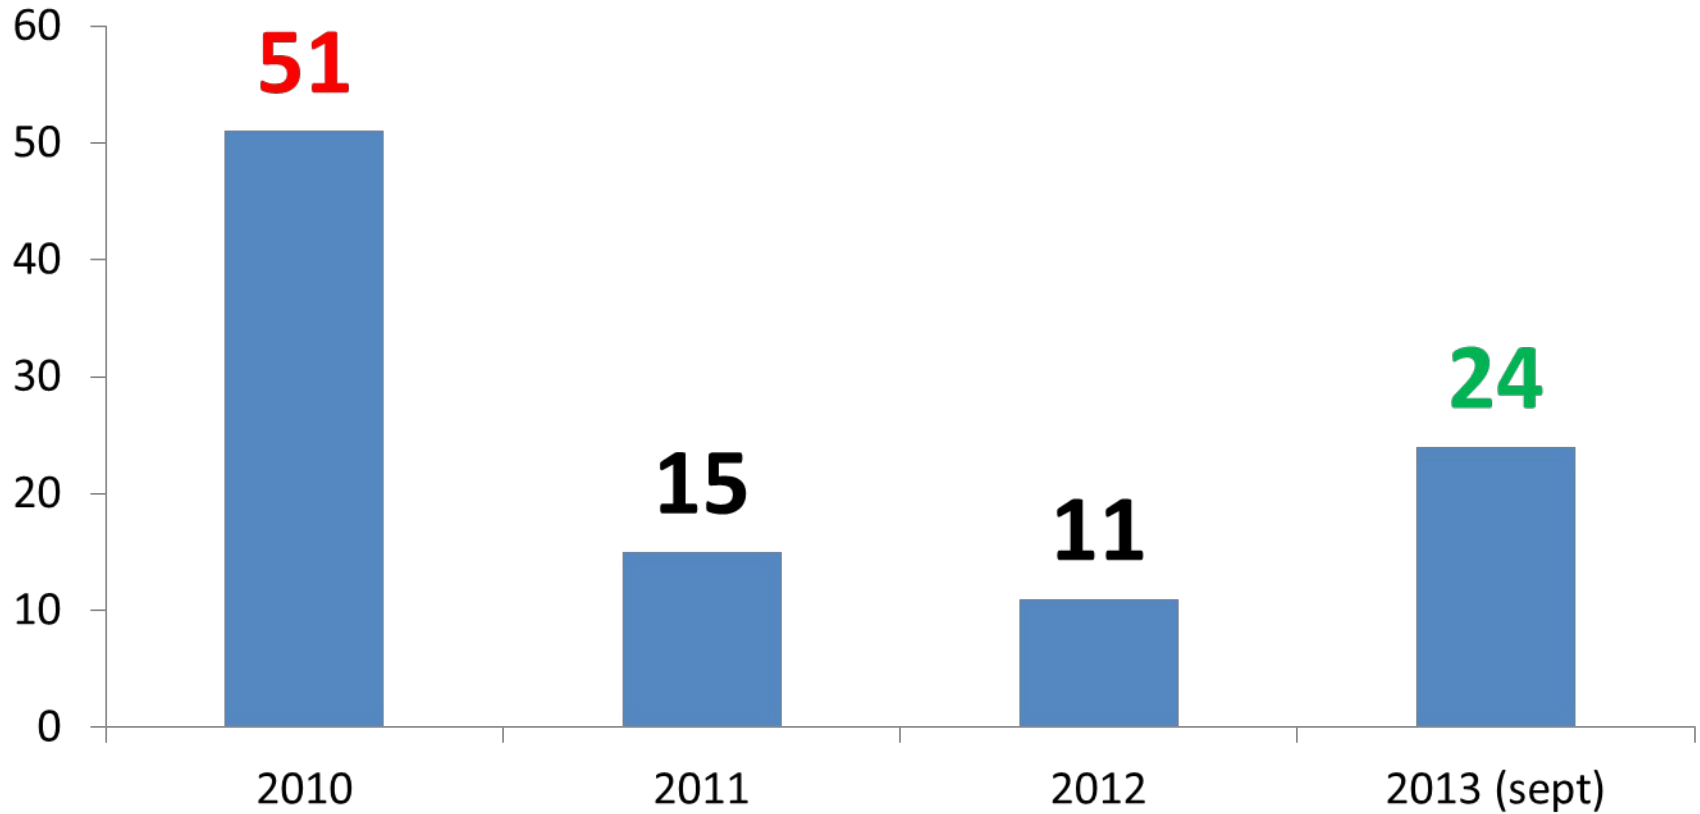

Cleantech fund raisings in France (number)

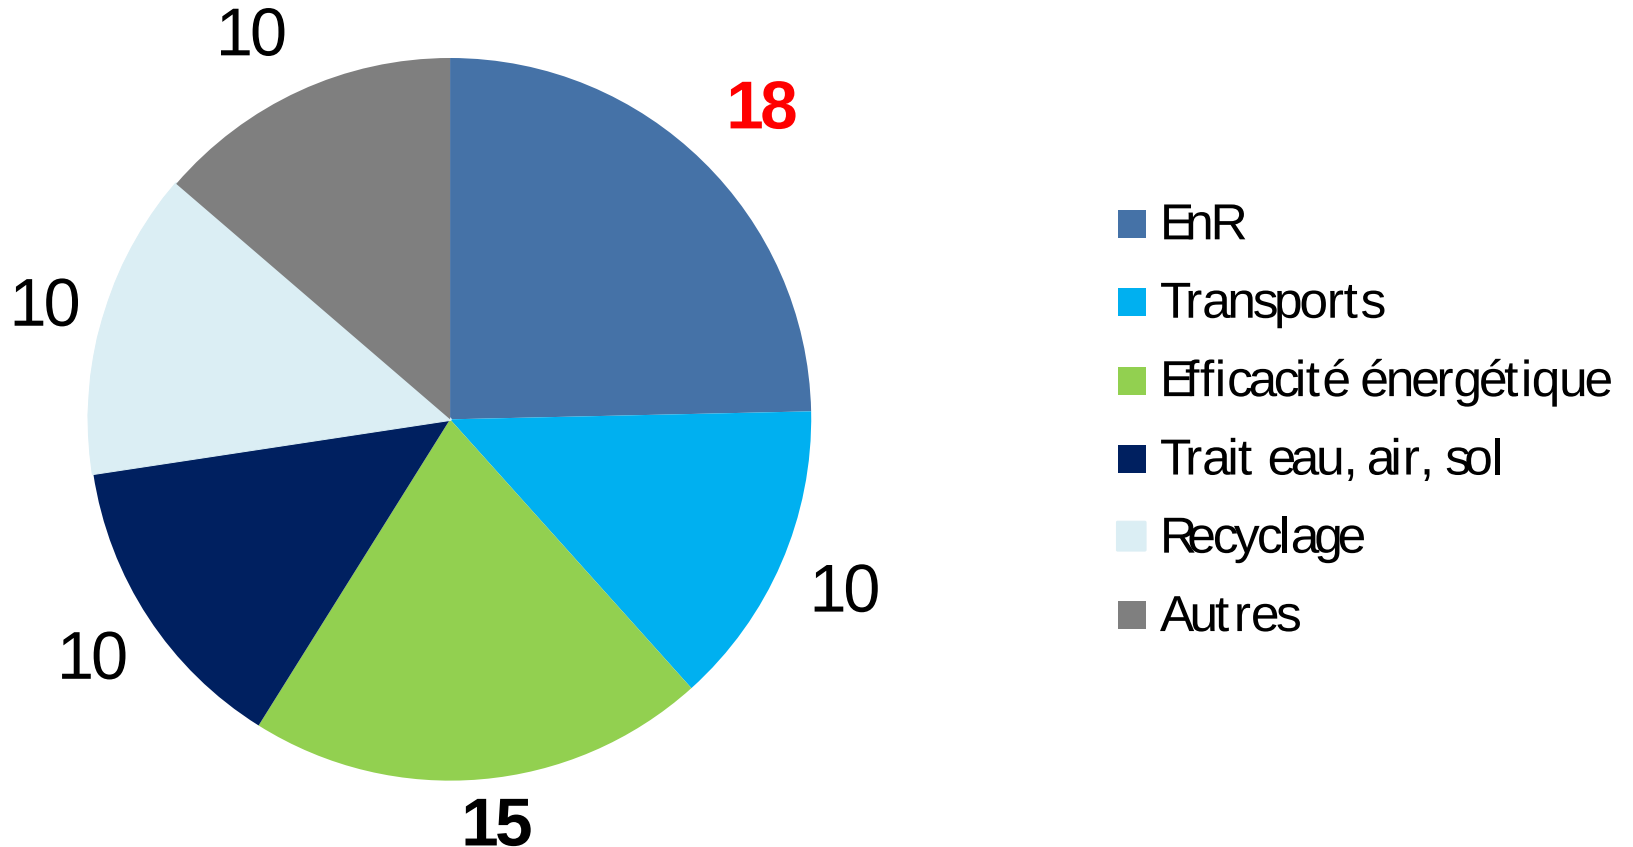

Cleantech fund raisings in France (M€)

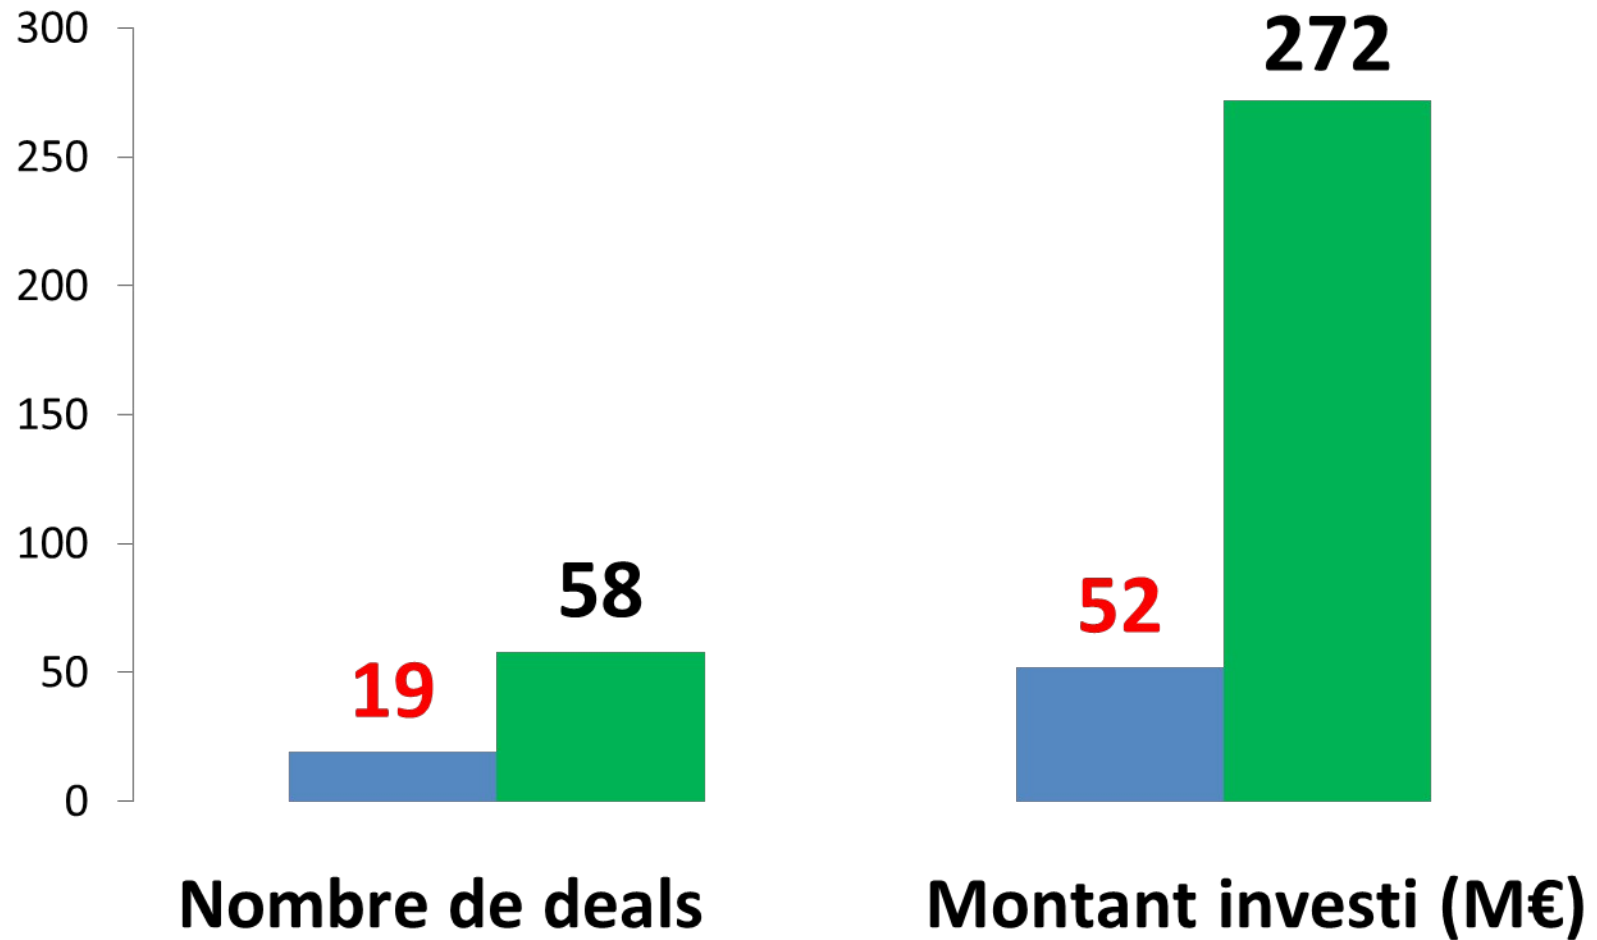

First rounds are ... « rare »

Sector by sector

Energy efficiency dominates in 2013
